In & Around DCC

A Celebration of Anna M. Robertson All Dunany Country Club members and Dunany Community Association members are invited to attend Anna's Celebration of Life, on **Sunday August 6, from 11:30am to 1:30pm**. **Judy Butler**, family and friends ask you to join them at the DCC Clubhouse to remember Anna, in the casual atmosphere of her much loved Dunany. We look forward to sharing in some memories.

On the Course

The Answer is... IN! “They are a hazard; they should be in the hazard.” That’s a quote from our Course Superintendent, **Chris Hart**. And with that, the perfect time to remind all members that DCC policy prefers rakes be placed inside all bunkers and traps.

Junior Golf

Babs and **Duncan Campbell** served as our member-instructors this week, and the kids had a terrific time chipping. Thank you to all members who took time out of their schedules to help teach the juniors this year!

If you’re an eligible Junior, don’t forget to sign up for the **Bantam Soper Shield** (and put in all scores so we can figure out handicaps.). The draw for the **Garth Fish** will be up shortly.

Ladies’ Cocktail & Quilt Raffle

Saturday, August 5th starting at 3:00pm

Celebrating its 56th year, this flagship event has been a DCC summer highlight since its inception! Each year, more than 60 member-volunteers contribute to the design and creation of a unique quilt. Members hand-sew a square over the winter, and miraculously the project comes together by a talented team to create a Dunany heirloom! There will be a feast of appetizers, historical quilts on display, and the opportunity to win multiple prizes. See you there!

Ticket Prices: (Cash or you may charge your member account!)

- 1 for \$10
- 3 for \$20
- 8 for \$40
- 25 for \$100

If you can't attend – but want to buy raffle tickets, no problem! The following volunteers are selling tickets (Cash or cheque) in advance, on Saturday from 10:00am - 2:00pm:

[Jean MacGibbon](#) at 450-562-9572 (Black Lake)

[Maryse Demers](#) at 450- 562-2700 (Clear Lake)

[Annabelle Wood](#) at 450- 566-5958 (Curran Lake)

Safety Concerns. The concerns regarding screens on ladies tee boxes at 2, 4 and 9 together with the suggested railing on the 4th tee stairs are in the process of being addressed. The DCC Board is aware of the issues, and, once a group of volunteers can be raised to perform the repairs/installations, work will get underway. You may have noticed that the screen on 8 has already been erected.

The Social Schedule

Musicfest 2023 was a huge success. Tons of fun, food and local talent!

Night Golf Cinq-à...Minuit?

Clubhouse Bar

Friday, August 4th from 5:00PM to Dark
