In & Around DCC

Suds at the Shack? Big news! A limited selection of beer and other canned beverages will be available for purchase at the Starter Shack beginning this Friday! That's right, you can now enjoy an alcoholic beverage anytime the Shack is open; **Ava and Harry** will be pleased to charge all purchases to your account. Want to quaff an IPA as you stroll the fairway? Want to toast your foursome on Number Four? Want to socialize on the East Veranda, but the Clubhouse Bar is closed? The Shack is your answer. (Members are reminded that no outside alcohol is allowed on DCC property at any time. Violations can result in the loss of DCC's liquor licence; violators will be subject membership suspension.)

Our Tender Bar Our Clubhouse Bar has now opened for the season, but we are short of volunteer bartenders. As you may have noticed last Sunday, that shortage can sometimes result in the bar remaining closed, even when it's scheduled to be open. We are looking for volunteer bartenders who can commit to working at least ten hours this summer. [Email Laurie](#) if you can help! A reminder that scheduled bar hours are Fridays from 5PM to 7PM, Saturdays from Noon to 6PM, and Sundays from Noon to 2PM

Water Cooler Talk A reminder that, until Club water woes are sorted out, a cooler with drinking water is located in vestibule outside the washrooms in the DCC Clubhouse.

Maureen Dubiel, the Convener of this year's Cocktail Party, scheduled for August 5th, is looking for volunteers to contribute door prizes as well as cold and hot appetizers. Please [sign up here](#).

June Parker has graciously offered to coordinate the quilt raffle ticket sales. We will be using the same approach as in previous years with ticket sales at lakes in the morning, followed by more raffle sales during the event. Please [email June](#) if you wish to take on a shift!

Thanks to all those who adopted and planted a golf course flower pot. They're all completed now and look absolutely wonderful.
