### **Raguin Leslie Opening Tournament(Mixed Tournament) - THIS WEEKEND! July 3rd (Starting Times beginning at 10AM)**

This is our annual opening tournament and we invite EVERYONE to come out and play! To give golfers more time to establish a handicap, we are giving a little handicap grace for this tournament by allowing those who do not yet have an established handicap, to get out there and join the fun - this will be the one opportunity to play and even if you have not put enough scores in for a handicap to be established. *(\*please note, you are only eligible to win with an established handicap).*

This is a mixed tournament where everyone plays their own ball and the Cup goes to the **low NET winner** (score minus handicap); there is a runner-up; as well as other prizes for Ladies and Men's Low Gross, Closest to the Pin on no. 6 and Longest Drive on no. 7. [SIGN UP TODAY](#)

### **Sign up Deadlines for Match Play Tournaments - July 5th**

For the **Ladies Captain's Cup and President's Cup** - These tournaments are very similar to the Markham Cup in that they are both match play bracket tournaments that are played over the entire summer. Which of the two tournaments that a person is eligible for is determined by their handicap (32 and up are eligible for the Captain's Cup, while 31 and below can play for the President's Cup)

For the **Ladies Better Ball** and **Men's Best Ball Tournaments** - These tournaments are again, also similar to the Markham Cup as they are both match play bracket tournaments that are played over the entire summer. The only difference is that you have someone else to blame if you lose, as these are doubles tournaments and played with a partner!

For the **Juniors Garth Fish and Bantam Soper Shield** - These tournaments are also bracket match play tournaments played over the entire summer. These two tournaments are split by the player's age, with juniors under 16 as of January 1 being eligible for the Garth Fish (our Club's biggest trophy) and juniors under aged 12 on January 1 being eligible for the Bantam Soper Shield. Please speak with the Junior Captain regarding eligibility.

### **The Husband and Wife (Turtle) Tournament - July 10th - MIXED**

Otherwise known as "Divorce Golf", this tournament's prize is a lovely wood turtle carving. The wood carving was donated by Ida Hunter, who with her husband Bruce, ran the general store, which was at the corner of Dunany and Neill Roads. The wood carving was made by George Campbell and given to Bruce Hunter.

To be eligible for this tournament you must be a married or common-law couple. It has been played as a two ball (alternate shots) or four ball. This year's tournament will be played as a two-ball alternate shot format.

This is a **net** tournament with starting times at 10:00am

### **Updates from the Men's Program**

Tracy Wightman - Club Captain

Carl Demers - Assistant Club Captain

The [Men's Golf Program MASTER](#) sheet is open for business (after some minor technical glitches) - the master is where you can add your ringers as you have them, and it also contains the sign-ups and brackets for the Markham Cup, Men's Best Ball and Sign-ups for the Moustache Cup and Men's Club Championship. The qualifying round for the Markham Cup may be played on either Saturday, July 3rd OR Sunday July 4th. If you are playing in the Raguin Leslie on July 3rd, this score is eligible to be submitted as your qualifying round for the Markham Cup - but you must let the Starter know PRIOR to playing. Deadline to sign up for the Men's Best Ball is July 5th.

There is also a Match play stroke Calculator that will come in handy before those matches!
