In & Around DCC

It's about Time: The Time Capsule has been moved to the Starter's Shack, and the deadline for contributions has been extended. This is your chance to show future DCC members how much fun you had in the Club's Centennial year, so get those memories into a Ziplock bag and into the Time Capsule before September 3rd!

Chris Hart and his crew have done a remarkable job with our much loved golf course this year! A box will be at the bar in the clubhouse this Saturday, August 27th for members to contribute to a thank you fund to be distributed amongst the crew. Please bring a contribution to show them how much we appreciate their hard work!

Are you a social animal? The DCC Social Committee is seeking volunteers to join the 2023 Social Event Team. We are looking for eight volunteers to plan and run next year's Summer social events. This team will work with our Social Director, Dianne Burk, meeting once or twice over this coming winter to select the events and put plans into motion for next season. This is a chance to get involved in planning and executing fun events without having to make a huge time commitment – a terrific opportunity for new and old volunteers alike! We hope to have this group in place by Labour Day. For more information, and to sign-up, please [CLICK HERE](#).

Do Not Drink The Water: Our water woes continue; please DO NOT DRINK the water from any source on DCC property until further notice. Please watch your Inbox for notices about the potability of water every two weeks.

On The Course

"We are all champions, but there are only so many trophies..." Saturday sets up to be a thrilling conclusion to our Centennial Club Championship. Thanks to our Captains, the Match & Handicap committee, and our volunteers for the terrific execution of a new format, and, as ever, to Chris Hart and his greens crew for providing a pristine canvas for, ahem, our art.
