## July 5, 2023 News Bulletin

### In & Around DCC

**Open Season!** Our season opening bash, the Directors' Dinner & Dance, was a fantastic success last Saturday evening. The food was terrific, the band played to a full dance floor, and the Summer has been launched in style. Thanks to our terrific team of **volunteers** and to our **Social Committee** for putting on a top-notch event!

**Water Update** Great news — recent water tests have indicated that water is now safe to drink from all interior and exterior taps at both the Clubhouse and the Starter Shack! (As ever, DCC assumes no liability related to the consumption of water at the Club.)

**No Parking Anytime** We need your cooperation in keeping the cart and maintenance path beside the Clubhouse BBQ area clear at all times! During the day, please do not park your car in the red-shaded area shown in the image above. Parking there — even for a brief period — really slows down the maintenance crew, and impedes the flow of golfers and carts. If you do have to bring your car into this area for loading or unloading, please park as closely as possible to the Clubhouse, keeping the path next to the stone wall clear.

---

**Sippin' at the Shack** We would like to remind you that a limited selection of beers is now available for sale at the Starter Shack. Feel free to consume beer purchased at the Shack anywhere on DCC property, but note that it is strictly forbidden to consume outside alcohol on the property. Enjoy!

---

**A Win(e)-Win?** The DCC Bar produces a number of empty bottles of wine, none of which can be returned for refund or reuse in Québec. If you're raising money for a charitable or student endeavour and can return the bottles for refund in Ontario, [Laurie](#) would love to hear from you! A much better option than the blue bin, don't you think?

## On the Course

**Men's Invitational** This year's DCC Men's Invitational Tournament will take place on Thursday, July 20th, with a shotgun start at 9:30AM. There will be prizes for longest drive and closest to the pin. Players will be treated to a ribeye steak with salads following the round, as well as a chance to win a bottle of scotch in the always popular chip-off! The cost is \$30 for members and \$50 for non-members. [Sign up here.](#)

**Family Style** Our fantastic grounds crew, led by Course Superintendent **Chris Hart** and assisted by **Rob Haldimand**, is about to get some helping hands. In a rather obvious takeover move, students from two families we know well will be helping out on the course from now until late August. A big DCC welcome to **Vincent Verreault** and **Hayden Hart**, who are already hard at work on the course. Say hi next time you see them!

## Junior Golf

The season has is well underway for our Juniors, and our first Junior lessons day was quite a success, thanks to our member-instructors, **Barb, Rob, and Duncan Campbell**.

Juniors are reminded to complete [Junior Lessons](#) and [Junior Day](#) forms.

## From The Ladies Branch

**Ladies Invitational Updates** This year's Ladies Invitational Tournament is sold-out for golfing spots, however we'd love to have you join us for lunch! Loonies and toonies will come in handy to fund your purchases of mulligans, speciality drinks, 50/50 tickets, and more! Most importantly, it's all about the hat: Hat reveals will be at the lunch, and not a moment before – hats must remain secret until then!

[Sign up here](#) before July 5th, and please indicate any food allergies or seating preferences.

## The Social Schedule

## Welcome New Members!

Special Cinq-à-Sept

Friday, July 7th 2023, from 5pm to 7pm

Come on out to enjoy a set from our very own Dunany Session Band and raise a glass with the newest members of the DCC community! And if you get the hungries, Angela's Cuisine has you covered with hot sandwiches available for purchase at the bar for \$15!
