DCC Club Championship Format Survey Results

Thanks to those who took the time to answer the DCC Club Championship Format Survey. The number of respondents totalled 153, or just over 51% of the potential respondents. Here is summary of the survey results along with their impact on this year's Club Championships (CCs):

Question 1: Having the Ladies and Men's CCs be played on the same days or different days:

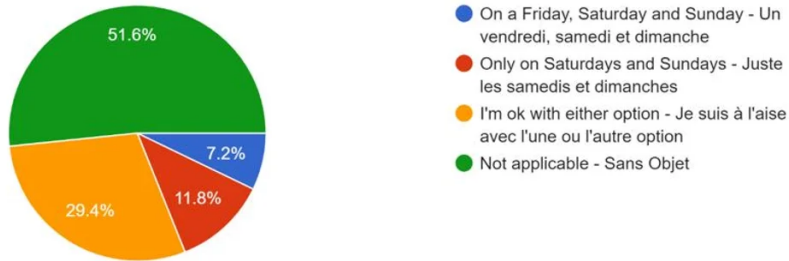

The majority of participants voted for "Having the Men's and Ladies CCs played on different days" (57% to 43%). Accordingly, the Ladies and Men's Club Championships will be played on separate weekends.

Specific questions for the Ladies and Men's Club Championships:

For some of the following questions, the "not applicable" option will have received the largest proportion of votes, as this category represents all those who do not qualify to answer a given question. For example, for a question regarding the Ladies CC, the "not applicable" votes would represent male respondents, and in this case, not be relevant. Therefore, all "not applicable" votes are excluded when evaluating results.

Questions regarding the Ladies CCs:

Holding the Ladies CCs on just a Saturday and Sunday received the most votes (when combined with the "ok with either option" votes). As shown in the graph below.

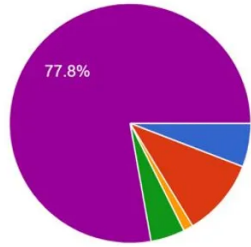

In addition, the C & D Ladies voted for a total of two rounds of 9 holes while the A & B Ladies voted for two rounds of 18 holes, as shown in the following graphs:

C&D

A&B

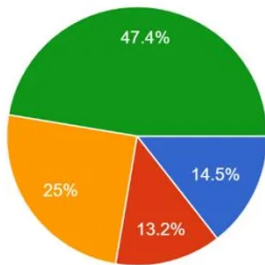

- Three rounds of 9 holes - Trois rondes de 9 trous
- Two rounds of 18 holes - Deux rondes de 18 trous
- Three rounds of 18 holes - Trois rondes de 18 trous
- I'm ok with any option - Je suis à l'aise avec l'une ou l'autre option
- Not applicable - Sans Objet

Accordingly, the Ladies CC, will be comprised of a Saturday and Sunday, with the C&Ds playing two 9-hole rounds and the A&Bs playing two 18-hole rounds

Questions regarding the Men's CCs:

Holding the Men's CCs on a Friday, Saturday and Sunday received the most votes (when combined with the "ok with either option" votes). As shown in the graph below.

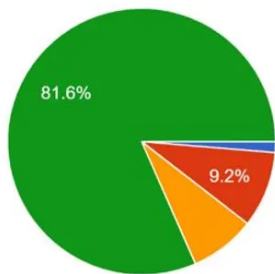

- On a Friday, Saturday and Sunday - Un vendredi, samedi et dimanche
- Only on Saturdays and Sundays - Juste les samedis et dimanches
- I'm ok with either option - Je suis à l'aise avec l'une ou l'autre option
- Not applicable - Sans Objet

Therefore, the Men's CC will be played over a single 3-day weekend of a Friday-Saturday-Sunday.

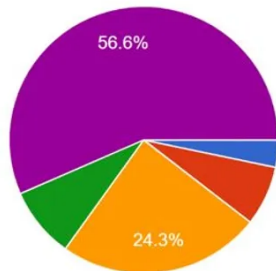

In addition, the C & D Men voted for a total of three rounds of 9 holes while the A & B Men voted for three rounds of 18 holes, as shown in the following graphs:

C&D

- Two rounds of 9 holes - Deux rondes de 9 trous
- Three rounds of 9 holes - Trois rondes de 9 trous
- I'm ok with either option - Je suis à l'aise avec l'une ou l'autre option
- Not applicable - Sans Objet

A&B

- Three rounds of 9 holes - Trois rondes de 9 trous
- Two rounds of 18 holes - Deux rondes de 18 trous
- Three rounds of 18 holes - Trois rondes de 18 trous
- I'm ok with any option - Je suis à l'aise avec l'une ou l'autre option
- Not applicable - Sans Objet

Accordingly, the Men's CC, will consist of a Friday, Saturday and Sunday, with the C&Ds playing three 9 hole rounds and the A&Bs playing three 18 hole rounds.

Overall Resulting Format and Dates for Men's and Ladies CCs:

The Ladies CCs will be held on August 10th & 11th with:

- As & Bs playing 18 holes on both days
- Cs & Ds playing 9 holes on both days

The Men's CCs will be held on August 16th, 17th & 18th with:

- As & Bs playing 18 holes on all three days
- Cs & Ds playing 9 holes on all three days.

Please note that these dates will be included in the finalized fixture card for 2024, that is expected to be released to the membership in the coming weeks.

Questions regarding the Senior CC:

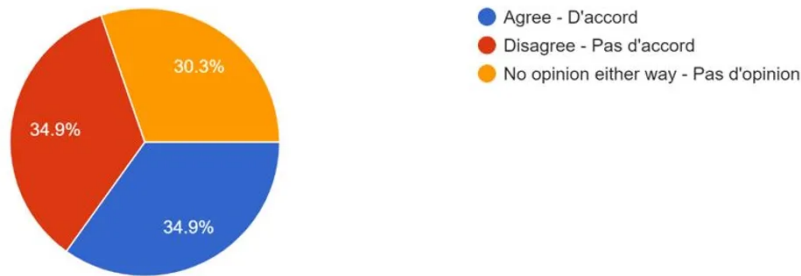

Holding the Senior CCs during the week on a Wednesday and Thursday received the most votes. As shown in the graph below:

The specific dates for the Senior CC based on the above results are set as August 21st & 22nd.

The remaining two questions regarding the Senior CC and their results are as follows.

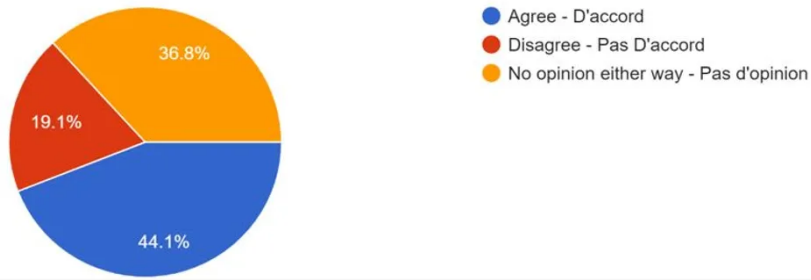

“Increasing the age eligibility to 65 from 55”

The data show that respondents are split on the issue of increasing the age eligibility from to age 65 from 55. For the time being, there will be no change to age eligibility for the senior CCs. This can be revisited with the membership in future years as we continue to actively seek feedback from the membership.

“Adding Men's and Ladies Super Senior categories”

© 2016 Dunany Country Club - Webmaster - A. Minty

The data show that the idea of adding Super Senior categories has a noteworthy amount of support. Accordingly, the Match & Handicap Committee will begin discussions with the Honours Committee to explore the possibility of adding such categories in future years.

Thank you once again for filling out the survey. We look forward to seeing you all on the course. If you have any questions about the results or the survey itself, please feel free to reach out to the Captains at dcccaptains@gmail.com.

Thank you,
The DCC Match & Handicap Committee for
The Dunany Country Club Board of Directors
