Weekly Bulletin - July 29 2021

[Printable PDF version](#)

Dear fellow members,

For this summer, the Quebec rules require that we wear a mask inside public places unless you are eating or drinking.

For our Golf Club, this means that no one is allowed to go into the Starter Shack without a mask (our local rule is actually that nobody can enter except the starters). It also means we need to wear a mask if we go to order drinks inside the Club House or if we go in to use the washroom. Those are not specific to just the DCC, they are province wide.

Although many of us feel the risk is very low because we are double vaccinated, the risk is not zero and we owe it to people around us to respect the rules.

Thank you for your understanding.

Watching the live draw on Zoom is **optional** - as all winners will be announced from each End Dock!

Please contact June with any questions or concerns

Bar Hours

Photos courtesy of: **Cindy Aikman**

We are working towards establishing regular hours for bar service at the Club House. For now we can confirm the Friday shift, but opening hours on Saturday and Sunday may still fluctuate, depending on demand and weather conditions. Please refer to the Members Home Website Page for updates.

Bar Hours This Weekend

Friday: 5p.m.- 7p.m.

Saturday: 12p.m. – 2p.m. (Closing early for the Quiltilla)

Sunday: 12p.m.-2p.m.

We also wish to inform you that all our volunteer bartenders have been undergoing training for responsible alcohol service to ensure the safety and well being of our members. If a customer is appearing to exceed their limit, our bartenders will stop serving them. Our goal is to facilitate an enjoyable social occasion while ensuring everyone arrives home safely.

Thank you!

Volunteer Painters Wanted!

Our log siding has arrived from back order and needs to be painted. We will be setting up in the Club House and need some volunteers to apply paint using a roller and a brush for the sides either on a morning or afternoon shift. Probably 3 hours a day. If you are interested in helping out with some 'light' construction work, please get in touch with **Peter Parsons** at pparsons370@gmail.com or at 1-303-882-4260. The Club House is going to look great when the outside is finished!

A Word from our Ladies' Director

It's very heartening to see some COVID safety measures being eased. We are hoping for more, which will allow even more social interaction between the membership. Stay tuned for more information as the summer winds down.

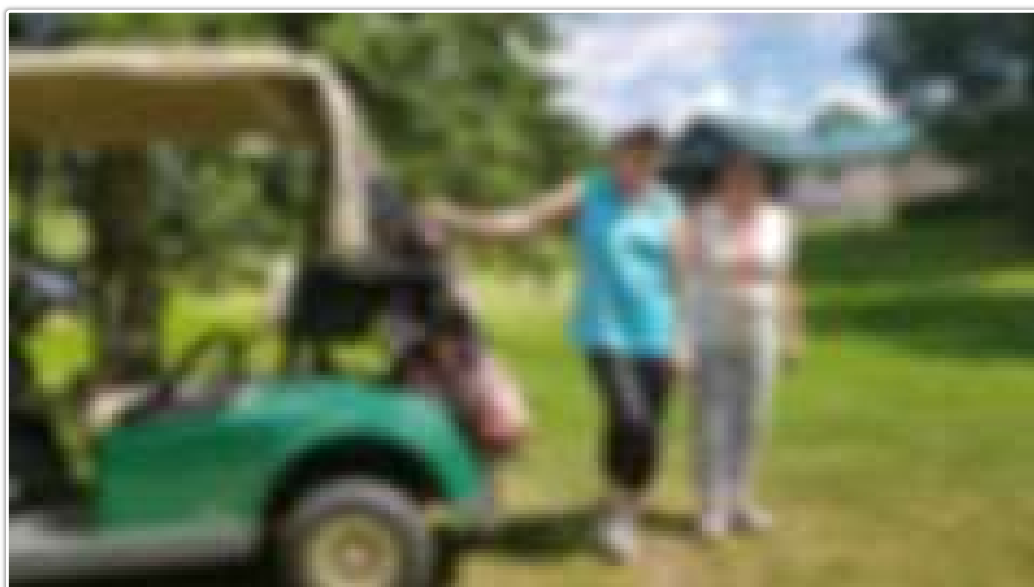

Many thanks are extended to **Margaret Gurinskas Grout** for donating the flowers at the Ladies 8th tee and to the trio of **Carol Wilson, Gail Jebson** and **Jean McGibbon** who planted the 6th. The pots are looking wonderful!
