

Ladies Course Record – 36 by Mary Sutherland

The Ladies Course record 36, was shot in the first round of the Ladies Club Championship in 1984.

I was playing with Babs Campbell and Patty Havill. My score was 5 4 5 3 4 3 5 3 4 = 36. The three on the eighth hole was a chip in and my third shot on the ninth was just a foot from the hole for an easy four. Patty and I played again in the afternoon and I shot 43 to finally break eighty. I am surprised that my course record still stands.
