Free Cart Raffle for Men's and Ladies' Day!

In order to promote the use of drivable carts at both ladies' and men's golf days, we will be holding a draw to offer one free cart each day next week. The draw will be done at the close of registration on **August 17 and 18** for ladies and men respectively. Be sure to indicate if you wish to be entered in the draw when signing up for Men's and Ladies' Days next week.

We take this opportunity to remind you that carts can be booked by ALL members aged 25+. The demand from those on the priority list (with limited mobility) has not exceeded our rental capacity so therefore all members age 25+ are eligible to book carts up to one week in advance. Click here to reserve or call the starter to make your request.

Senior Men's Interclub - Results

The Dunany team ended up in 3rd place after all was said and done. The top three teams were separated by only a couple points so it was close! Great job representing the club and best of luck getting them back next summer!

Men's Mustache Cup & Ladies IMP - August 14th & 15th

These are both two day net tournaments where the participants book their own tee times, one per day, and both scores are put together with their handicap in order to create a final net score. You must advise the starter before you begin each round of 9 that you intend to use your round for the tournament prior to playing and submit your score to the starter upon completion of your round.

The Mustache Cup was donated by A.R. Wright, who was the father of Joan Gale and grandfather of Alan Morton, and is open to men aged **50 and up**.

The ladies' **IMP** trophy was donated to the club by **Isobel Sauberli**, **Myrtle Ashman** and **Pat Pierce** in 1973, for a weekend competition initially created to allow working lady members a chance to participate in a tournament. It was subsequently opened to all lady members.

Trophy return

Calling all trophy winners from 2019!!! We are asking anyone that won a trophy way back before COVID hit us, to please start to return them to the shack. There is no final decision on what Prize Giving 2021 will look like yet, but we do need those trophies to come back, so please dust them off and bring them down.
