## News from Dunany Juniors

Dunany juniors have been keeping busy. Last Tuesday sports night was rained out so the fun moved indoors. **Randy Swedberg** has been volunteering each Tuesday for several years. He has many fun ideas, the kids are grateful and are now hoping for another rainy Tuesday night! The annual fun-filled family sports day was held under sunny skies. A great time was had by all. Many thanks to **Warren Neill & family** for coordinating and to many who helped with food prep and logistics. Meanwhile, in golf news... our pro, **Marc Barbeau**, has been away due to illness so our juniors have been soaking up tips provided by some of our members. Special thanks to **Alan Morton, Jeff Best, Francois Côté, Gilbert Boucher, Barbara Campbell, Annie Hay and Tracy Wightman**. There is a Junior Facebook group dedicated to news and announcements. If you'd like to join this group click the link and send your request: <https://www.facebook.com/groups/624764974356566/>

**Friendly Reminder to not bring outside alcohol onto the Clubhouse premises - and PLEASE don't drink and drive!**

Please be aware that any alcohol not purchased by the Club with an official Government sticker is strictly forbidden on the premises, which includes the golf course and the parking lots. We could have our liquor permit suspended/removed and face heavy fines if outside alcohol is found on the premises.

We also encourage you to be responsible and not get behind the wheel if you have been drinking. Please grab a lift home with someone or ask one of our bartenders who will help you find your way home safely. Thank you!
