### IMPORTANT REMINDERS

**Courteous Golf** - Please be aware of your pace, whether it's too slow, or too quick. Have a look to see if the group playing behind you is gaining on you and/or waiting for you to hit, and if so be ready to let them through. A wave or a quick "please play through" should suffice. If you are being slowed down by a group in front of you, be courteous to NOT hit into them and WAIT for them to wave or indicate that you may play through. Please refrain from yelling at the group ahead of you to let you through, especially since they may have a group ahead of them slowing them down as well. Yelling at other golfers on the course is not courteous behaviour and disturbs all golfers in the vicinity. If you find yourself waiting at every shot without being let through, please report it to one of the captains after your round. Please just be AWARE OF YOUR PACE - fast or slow!

**Check in at the Shack** - With the implementation of the new booking of tee times system, the starters are tasked with keeping track of who is actually teeing off on the 1st hole - and more often than not, the golfers who show up to play do not match what has been booked in our system! To try to maintain accurate records of who is on the course at any given moment, we are trusting our members to please check in with the starter to provide their name, the names of those in their group, as well as their booked tee time. It would be really helpful for the starters (and for our end of season records), to have this information - and sometimes it is hard to decipher one member from another when they head straight to the 1st tee with their hats and sunglasses, etc covering them up! Thanks for your cooperation.

### This Past Week - Results

Congratulations to **Paul St-George** who posted the lowest net score over the weekend to take home the **Moustache Cup**. It was really close as we needed a tie-breaker to determine the winner, with Jeff Best coming in 2nd place!

For the **Ladies IMP**, played over Saturday and Sunday, congratulations go to **Barb Campbell** with a low net overall score of 65 while Val McNicholl was runner up with a net score of 68. Thanks to all those who participated!

**Senior Club Championship** - Congratulations to **Ken Sawyer** who won the Loon, as the player who posted the lowest overall net score with an impressive 63! He also posted the lowest gross score for the men, while **Mary Sutherland** won the low gross for the ladies by putting up identical scores for both days, even down to every hole!

## Trophy return

Calling all trophy winners from 2019!!! We are asking anyone that won a trophy way back before COVID hit us, to please start to return them to the shack. There is no final decision on what Prize Giving 2021 will look like yet, but we do need those trophies to come back, so please dust them off and bring them down.

Nicole Adams - Junior Co-Captain/Starter

The Junior Club Championship is on August 16 & 17. Follow along the virtual [scoreboard here](#). We'd love for you to come and watch the finish on Day 2. Encourage our junior golfers! These kids are awesome!

Last week, (August 10th), four DCC Juniors competed as a team at the Golf Quebec Junior Interclub tournament at Windmill Heights on Île-Perrot. Vellyfield and Kanawaki also participated. The stableford format competition was fierce and the heat (41 humidex) was intense. Ten of the junior golfers participating had handicap indexes of 10 or less! Lots of experience gained for our players who are already looking forward to next year!
