On the Course

On a terrific day for St. Paul's Church, and for the entire Dunany community, this year's Pray & Play took place last Sunday. Of those who prayed then played, the foursome of **Jennifer** and **Michael Dowse**, **Sue Lavoie** and **Roddy Armstrong** bested the field in both categories. Many thanks to all participants, to the volunteers who make it all go, and to the sponsors who show such strong support for our community.

A late-season favourite, The 3-Club Tournament took place on Monday afternoon. **Cat Best**, **Nancy Smith**, and **John Riviere** will spend the next year sharing custody of the trophy. In other news, somebody won a bottle of scotch and all participants were rewarded with a terrific spaghetti dinner. Thanks to our fabulous host, **Jim Cameron!**
