### GOLF NEWS - ANNOUNCING!

- DCC is now open to golfers for the season. Please use the [DCC Tee Time booking tool - Chronogolf](#) booking tool to make your tee times. Here again are some helpful links to get you familiar with how to use Chronogolf:

[Using the Chronogolf App](#)

**Please be patient** as there will be some hiccups and adjustments as we all better familiarize ourselves with this new system. If you need assistance, please don't hesitate to contact the starters or Captains..

### GOLF 101 - Handicap vs Index and the World Handicap System (WHS)

What is the difference between a Handicap Index and a Course Handicap?

- Your handicap index is the measure of your ability on a course, calculated using the lowest 8 scores of your last 20 rounds, updated with each round played and entered
- Your handicap index travels with you from course to course (and tee to tee) and is used to calculate your Course Handicap
- Your course handicap is the number of strokes a golfer receives from a specific set of tees on a specific course so that the more difficult the course, the more strokes the golfer receives
- At Dunany your Handicap Index will determine which Class you compete in (for Ringers, Club Championships)

- Your handicap index and course handicap are available 24/7 in the Golf Canada Score Centre and app - the calculations are done for you!

Why would I want to post scores, access handicaps and track stats?

- With an established and official Golf Canada handicap index through the World Handicap System (WHS), you can play and compete in any tournament or competition requiring a handicap at Dunany
- Handicap indexes are mobile allowing you to play and compete equitably against players from other golf clubs and in tournaments not held at Dunany
- Your personal Score Centre that comes with your Golf Canada membership is your personalized stats hub where you can watch your game grow and see how you measure up against others

Yes, I want to play and compete! How can I establish an official handicap index?

- All you need to do is to play and post 6 rounds of 9 holes to establish a handicap index
- Scores can be posted retroactively – they don't have to be from the current season
- Scores can be from ANY rated golf course – they don't only have to be scores from Dunany

How can I submit scores?

- You can login to the [Golf Canada Score Centre](#) OR if you have a phone, download the [Golf Canada app](#) and enter your scores, hole by hole as you play them (no need for a paper scorecard when you have the app!)
- After your round, you may login in to your Golf Canada member profile and go to the Score Centre to enter the round - don't forget to enter it that day in case there were adjustments based on weather or course conditions

Highlights of the [World Handicap System](#) - a much simpler and universal "leveling of the field" for more inclusive and accessible golf including:

- Minimal number of scores needed to establish a handicap \*\*Only 6 rounds of 9 holes played in the last two years (from any recognized course!), will get you a handicap index and allow you to compete in golf competitions requiring a course handicap!
- Maximum score per hole, now known as Net Double Bogey (formerly the Equitable Stroke Control) allows for fairness and equity for all golfers
- Abnormal course and weather conditions are adjusted daily, to reflect performance under all conditions

## REMINDERS

**WE ARE STILL SHORT A COUPLE OF LADIES!** Please consider playing in this tournament if you are able - we won't be able to enter the centennial anniversary Cross-Canada Interclub tournament without the minimum number of players. A minimum of 8 ladies and a minimum of 8

men are required (and up to a maximum of 16 of each). We can't enter a team if we don't meet the minimums so please consider joining the DCC team. Dunany won't want to miss out on competing on June 16th!!!

**Updates from the Ladies Program**

Wendy Castator - Ladies Captain  
Bonnie Curtin - Assistant Captain

Hello ladies,

I am writing to you from Hudson, where we were very fortunate to miss all of Saturday's storm and its consequences, so I am hoping you are able to see this (soon) and get out and enjoy the course and weather as well. I am attaching a link below to the **Ladies Golf Program Home Page** which can also be accessed directly from the fixture card.

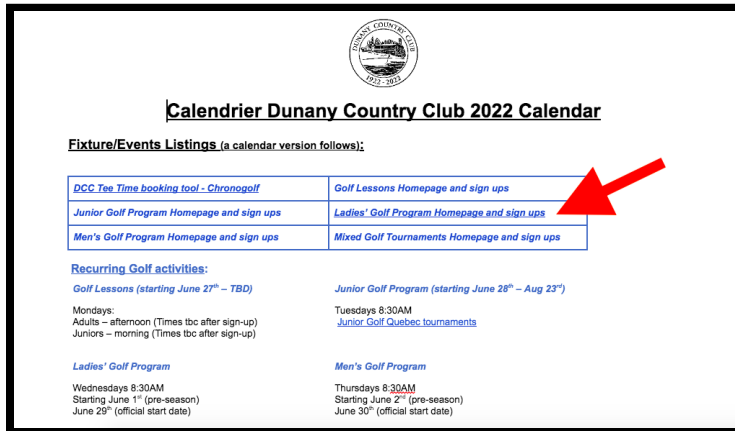

This year the links to sign up for Wednesdays are directly on this Home page. There are preseason links for June 1 - June 22nd, where you can put your name directly into a tee time. For June 1st, depending on the numbers, we're hoping to have a little shotgun event after, a long awaited get together first, so that one is just a list. Tees have been blocked on Chronogolf from 8:30 to 10:30 starting June 1st. The first organized competition will be June 29th. More to come.

On the **Ladies Golf Home page**, you will find all information for Ladies Golf; links to other signups (ie President's, Captain's, CC, etc which will be added or go "live" throughout the summer), links to enter ringers, scoreboards and results. The **Ladies Golf Home Page**, will be a working document. Some parts, like sign ups, you will have access to, others, like score sheets, will be restricted. I thank you in advance for your grace and patience with the use (my use) of these tools. If you can't find something, please reach out.

One last reminder: We still need a couple ladies to fill our team of 8, so Dunany can participate in the 100th virtual Interclub Competition on the 16th. Sign up above.

## Updates from the Junior Program

Genevieve Roy - Junior Captain

This week you will be receiving your Junior golf sign up sheets. Please take the time to go through and sign up for the whole summer. We are really looking forward to a summer filled with special events and lots of memories.

We are once again offering the Junior Sponsorship Program. This is for a would-be-junior whose parents are not Regular Members of the DCC. Please email [stephanielogothetis@gmail.com](mailto:stephanielogothetis@gmail.com) for more information.
