Ladies Golf

The ladies were treated to a little "Theatre on the Green" as a troupe of LPGA wannabes acted out real-life situations where the basic rules of golf come into play. Heading the cast was the charming **Sharon Leslie** in the lead role while **Cathy Ashley** played the part of her sinister golf partner. Actresses in a Supporting Role were **Kate Tindale** in the Titleist role as 'The Ball', **Dianne Vanstone** as the poor 'Provisional Ball' that always seems to go farther than the original but seldom counts, two upright ladies as 'Red Stakes' – **Lois Finch** and **Peggy Carroll** while **Lynn Palmer** was "out standing on the green" as 'The Flagstick'. Not to be outdone, **Anna Robertson** wore an Oscar de la Forest original in her role as 'The Bush'. Below is a photo of the cast...

We understand that **Mitch Azaria** will be contacting each of them for next year's Film Night in the Clubhouse...

Whack 'N' Hack

Over the next week, DCC Juniors will participate in several Golf Quebec events as well as Golf Canada's Drive, Chip & Putt contest. Stories will be in next week's newsletter!

Mark McLeod (age 13) has reached a handicap lower than 15 this summer which allows him to play in the Men's Club Championship. His fellow Junior golfers will be cheering him on when he tees it up next weekend! Good luck to **Mark** and all of the competitors.

We'd like to remind juniors (and parents) to carefully oversee that all scores for rounds played are entered (and entered correctly with Equitable Stroke Control applied). We will have greater emphasis, training, and oversight on this next year to further foster the spirit of the game. You can read more here <https://golfcanada.ca/handicapping/>

Etiquette 101 - THE SPIRIT OF THE GAME (From Golf Canada)

"Unlike many sports, golf is played, for the most part, without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for other players and to abide by the Rules. All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be. This is the spirit of the game of golf."

Environment Report

In order to cut down on the waste generated by the golf club, we are now using compost bins to collect waste that can be disposed of in the large municipal bin at the corner of Boyd Road. Recycling bins should also be used whenever possible. Together we can eliminate most of the garbage that the golf club produces!

GREEN BINS (smaller, olive green plastic bins with wheels): These bins are not just for backyard compost, the municipality is now collecting a wider range of materials for processing at a composting facility. The compostable paper bags in the clubhouse kitchen can be used to collect material for these bins, including: All organics (including meat & bones), paper plates, napkins, food-soiled cardboard. These bins should be emptied in the large municipal bin at the corner of Boyd Road.

RECYCLING BINS (large blue bins). Paper and clean cardboard, metal, plastics with the following symbols:

MATERIALS TO AVOID: Please avoid styrofoam and Red Solo cups. These materials are not recyclable or compostable and will end up in a landfill. Cheap paper plates (e.g. Chinet) can be put in the green bin, and the cost difference is negligible. Many plastic cups are recyclable, just look for the number on the bottom (1, 2, 3, 4, 5, 7). If at all possible, use real plates, cutlery and glasses for events to minimize the environmental impact.

Before throwing anything out, ask yourself (or someone who knows) if it can be disposed of in the green bins (Best) or recycling bins (Better). Feel free to address any questions to me at pw.dunany@gmail.com.

DCC HERITAGE RENOVATION PROJECT

THE HEART OF OUR COMMUNITY

Another fabulous Fundraising event was held on Friday at the Swaine cottage on Boyd lake hosted by **Pierre and Bonnie Swaine** and **Heather and Isaac Perez**. Great food, great company and lots of questions ably answered by our DCC team. A great turnout of Boyd lakers moved participation rates significantly and is getting us closer to our goal of \$300,000!

The next fundraising party is for Clear Lake and Lake Louisa on Sunday, August 18 hosted by **Peter and Bonnie Curtin**. There will be an exciting 'wine raffle' where participants can win over 20 yummy bottles of wine!

Our Fundraising event for Black Lake hosted by Cathy Ashley Leslie is confirmed for Monday, August 19 with appetizers, nibbles and a Leslie favourite . . . martinis!

Michael Fehr will be on hand at both events as will Board members who can share why this project is so important to the DCC and answer any questions. If you have been unable to attend one of the other lake parties and would like to join one of these – please let us know, everyone is welcome!

We are continuing to receive questions from members regarding plans, the budget and the focus on the golf course. Please have a quick look at our website: <https://www.dunanycountryclub.com/clubhouse-reno-at-jun-2019>
