## Match and Handicap Update

Congratulations to all the golfers who played in the Senior Club Championship and the first 2 rounds of the Men's Club Championship this past week.

Thank you to **Chris Hart** and **Jesse** for getting the course in tip top shape. Great hole positions; challenging but fair. Great job. Hats off.

A reminder to all our golfers to let players go through. If there is a hole free ahead and people waiting you must let them through. This is good practice and helps to speed play. Also, please don't toss your cigarette butts out on the fairways, tees and beside the greens. It's simple to save them and place them in the garbage bins provided on each hole. Thank you!

Please play your matches by the dates indicated. Also please return your trophies so that we may have them engraved on time for this year's Prize giving.

Thanks to **Chris Vroom** for a great job running the Senior CC.

Congratulations to the winners and all our Seniors for getting out and playing!

### **Don Armstrong Cup - low gross Men**

Information on the **Fall Classic** Golf Tournament on September 9th, 2017

Hello DCC members!

I wanted to send out a quick note regarding a new tournament that you may have noticed on the Fixture card this year. On September 9th, the inaugural edition of the Dunany Fall Classic is set to be played and I hope you will join us!

The tournament is a 4 person team-based format that will use handicaps to give every team a chance at winning. This format is adapted from similar tournaments at other golf clubs and these tournaments are often full of rich tradition and history with many people playing on the same teams for over a decade. I think this is a perfect format for the DCC. As far as I know, there has never been an annual 4-player team tournament and this will hopefully become an amazing new annual tradition. Here are some of the details:

- Teams are chosen by themselves (can be all male, all female, or mixed)
- Scoring will use handicaps to level the playing field
- The 2 low net scores per hole are kept and the team with the lowest total score at the end of the tournament wins.
- Teams are encouraged to wear team colors or matching shirts/hats, etc.
- Team Captains are encouraged to host their team for a pre-tournament dinner the evening of the 8th to encourage team building, strategy and good times.
- There will be a shotgun start in the afternoon followed by a potluck dinner at the Club house. (Sign-up sheet for the potluck will be posted in the Starter Shack)

To sign up for the tournament, please send me an email at [kevinhavill@gmail.com](mailto:kevinhavill@gmail.com) with the 4 players on your team, the team Captain and the team name.

My hope is that this tournament will be something that teams look forward to participating in year after year and becomes something special to Dunany golfers. Its current name is the **Fall Classic**, but I'd like to re-name the tournament for the future years to come with something meaningful to our club and community. And, I think the best way to do this is by looking to participants for suggestions and I encourage people to send me their ideas for a new name and we will vote on a new name at the tournament.

Thanks and I hope to see you on the 9th!

-Kevin Havill
