### Message from the DCC President Regarding COVID-19 Immunization Status

In accordance with the requirements of the National Institute of Public Health of Quebec (INSPQ), golf clubs everywhere in Quebec will, as of September 1, 2021, ensure that the players and participants in golf events are adequately immunized. The Dunany Country Club is trusting its members to respect the directives issued by Public Health as they have throughout this pandemic. You will find the government link below. We thank you for your cooperation.
