DCC Water Update

Good news: Following excellent test results, water from the Starter Shack and the clubhouse are safe for consumption!

Volunteer Spotlight

Kudos to Paula Minty for stepping-up to lead the Garden Club this year!

With the Club's need for an unusually early Spring start to botanical beautification, Paula and her team rose to the occasion and have the place looking tip top. Volunteers like you make DCC the best it can be — thanks, Paula!

* Please note that the Clubhouse Volunteer Legacy chair is reserved for Paula's exclusive use this week.

Communications

Do you have news to share with the DCC membership? Email dunany.news@gmail.com with the details before Monday for inclusion in the next News Bulletin.

Garden Club needs Plants

The DCC garden club is in need of ground cover donations. We're particularly interested in periwinkle, pachysandra, and creeping Jenny. Always open to other ground covers or perennials that you can spare . If you have any of these lovely plants, please drop them off in the open area on the left side of the DCC entrance this Saturday and Sunday.
