## June 7, 2023 News Bulletin

---

### In & Around DCC

Thanks to a terrific sharing arrangement with Lachute Curling Club, DCC now has an on-site automated defibrillator which can be used to help anyone experiencing cardiac arrest. The defibrillator is located in the Starter Shack. Players may call the starter at 450-562-4885 in the event of emergency on the course.

This defibrillator is easy for anyone to use, offering both step-by-step images and audio prompts for proper use.

Drinking Water, Outside Taps: As discussed at the AGM, efforts have begun to address the water issues at the Starter Shack, and the pipeline between the Clubhouse and Starter Shack has now been replaced. Final hook-up and required testing are still to come, so in the interim, please abide by posted signs and do not draw drinking water from any outside taps until further notice.

### On The Course

With conditions now favourable, golf carts are now available for use. As always, please respect signage when navigating the course. Please e-mail [Pierre Demers](#) to book a cart until the starters begin their full-time rotations on the June 24th weekend.

# Ladies Branch

The DCC Ladies Branch opening meeting will take place at the Clubhouse on Sunday, June 11 at 10AM. Please join us in-person or by Zoom! Watch your inbox for a Zoom invitation this Friday.
