

## Dunany Country Club Newsletter September 7, 2016

### A 3-way Tie in the Parkes Culross Closing Mixed Field Day

Congratulations to **Don Sutherland**, **Peter Wright** and **Ev Wood**, each with a net 63.

Low gross men was **Don Sutherland** 34, and for the women, **Judy Farrell** 43.

Longest drive men and women were **Don** and **Judy** as well and closest to the pin for the men was **Peter Wright**. There was no winner of closest to the pin for the women.

### David Armitage Honoured at Prizegiving

**David Armitage** was presented with one of the highest honours at the DCC - an Honourary Life Membership, the first given out since 1993. Only a dozen other people have received this honour. David started working for the club 37 years ago in 1979. His dedication has been immense. When he first started we would send the equipment out to be repaired, but that was expensive so David began fixing all the equipment himself, saving the club thousands of dollars. The club has always been his priority.

The Armitage family accepted the plaque on David's behalf "Honourary Life Membership presented to **David Armitage** - In recognition and with gratitude for your years of service and dedication to the club."

Captured at prizegiving...

This is the last newsletter edition of the summer. We hope you enjoyed reading about our busy Country Club and that we kept you informed. Thank you to everyone who sent in news and photos and to all of you who make the DCC so special. Have a safe and happy winter and we look forward to seeing you next year!
