Update from the Ladies Captain

- **Ladies Day**

Another great turnout for Ladies Golf last week with 23 players! We had a draw for Hidden Holes which were 1, 3, 7, 8, and 9. Not the easiest ones! The winner was determined by the lowest net of the five holes less 1/4 of their handicap. Congratulations to **Kathy Wright & Barb Therrien** for tying for the win.

Today is a joint Men's and Ladies Day as the Juniors are playing the Club Championship on August 3rd and 4th. See you on the tee at 8:30!

- **Match Play**

Good luck to all players who have progressed to the semi final round of the President's Cup, Captain's Prize and Four Ball Match Play. The round is to be completed by August 16th. Good luck!

- **Play for Points Competition**

For every ladies day or ladies event that you take part in, you receive a point. Earn an extra point for a win on ladies Day.

- **Ladies Club Championship**

Here at last! Please sign up in the starter shack for this wonderful tournament on August 11, 12 and 13.

Update from the Junior Captain

The last lesson of 2017 took place on Monday and the juniors are ready for their Club Championship this Thursday & Friday. A's play 18 holes on both Thursday and Friday. B, C and D golfers play 9 holes on each day. There is a pizza [lunch on Friday](#) after the tournament and we invite everyone (including adults and non-players) to come out and cheer on the participants and celebrate efforts of all junior golfers. We'll collect \$5 per person for lunch, please RSVP in advance so we can order the right amount! We are also looking for volunteers to walk and help with application of rules on both days. Please email jeffm_adams@yahoo.com if you can help or plan to attend.

We may have set a record for number of participants in the Family Sports Day last Thursday. 40 kids and lots of parents and grandparents participated in races and agility contests and attended a BarBQ. We have many athletes and lots of good sports amongst us! Huge thanks to **Warren Neill** and his family for setting up the activities again this year.

DCC Facilities – Information Session - Update

Over 40 people attended the two Information Sessions held last week on the options for consideration to enhance the Club House in preparation for our 100th Anniversary in 2022. **Lynn Palmer** and the design and construction team outlined our 'design principles', the options under consideration and our next steps. You can find out more about this project [here](#).

Other information sessions will be offered, based on demand. If you are interested in attending a session, please respond to **Lynn Palmer** with the approximate timing that would work for you.
