Due to the drying of the golf course there are several areas of extremely dry and dead grass particularly on the slope of the 7th and 9th fairways. For tournament and regular play these areas should be considered ground under repair. Please drop your ball at the nearest point of relief and avoid further damaging these areas. There is of course, no relief in the rough.

Be sure to join us for a special honorary tee off as we will welcome past Men's and Senior Men's Club Champion **Ed Dubiel** between 12 to 1 p.m.

Keep your head down and see you on the tee!

Chrys Tindale – Club Captain

The Artists have each chosen to paint one photograph from his last calendar. These paintings will be displayed and sold by silent auction at the Exhibition. All proceeds will go to the scholarship that has been created in **Ross's** name.
